PROGRAM OVERVIEW:

We cover 5 hospitals, 2 surgical centers, and work with over 20 attendings. Our program provides a broad spectrum of clinical and didactic experiences including a 2 month pediatric surgery rotation at the Rubin Institute for Advanced Orthopedics. Through our three tier approach, residents develop into versatile, highly skilled surgeons with a commitment to compassionate patient care.

For more information about the Residency Program please see the CASPR Directory Page.

- 2018 CASPR Residency Program
- Clerks Usually Given Priority
- Clerkship Required

PROGRAM OVERVIEW:

JSUMC is a PMSR/RRA 3 year residency program with comprehensive training in all areas of lower extremity pathology. Our residents are well-trained in diabetic limb salvage, Charcot reconstruction, wound-care, and trauma. JSUMC is a level II trauma center. Additionally, our residents have ample exposure to elective forefoot and rear-foot cases.

For more information about the Residency Program please see the CASPR Directory Page.

PROGRAM OVERVIEW: Larkin is a well rounded program that offers extensive wound care, forefoot, and rearfoot surgical training. At Larkin, students will be given the opportunity for hands on learning by scrubbing surgical cases at both the hospital and surgical centers, and participating in cadaver workshops. They will also have the opportunity to learn clinical skills by going to many of our attending’s offices.

PROGRAM OVERVIEW:
Our clerkship rotation is designed to provide an in-depth exposure to Podiatric Medicine and Surgery at Maricopa Medical Center. There is a large emphasis on wound care and surgery related to wounds, but with our busy clinic volume, you will be exposed to all aspects of Podiatry including pediatrics. Additionally, this rotation will expose you to our general surgery internship year.

2018 CASPR Residency Program  Clerks Usually Given Priority
Clerkship Required

PROGRAM OVERVIEW:

Excellent balance of elective and nonelective (trauma) surgery, in-patient hospital management and outpatient clinical care. This is a PMSR/RRA program in which residents are expected to be self-motivated, hard working, and part of a cohesive team. Structured academic/didactic activities on a weekly basis. Visitation is highly recommended for the residency application process.

Accept Residents from: AZPod, BUSPM, CSPM, DMU-CPMS, KSUCPM, NYCPM, SSCP, TUSPM, WUCPM
☑ 2018 CASPR Residency Program ☑ Clerks Usually Given Priority
☐ Clerkship Required

PROGRAM OVERVIEW:
This is a PMSR with added RRA certification and is sponsored through OSF Saint Anthony Medical Center, a level I trauma center, and is associated with a large multispecialty orthopedic clinic. The resident is expected to far surpass the surgical volume requirements with heavy exposure to rearfoot and ankle reconstruction, revision surgery, trauma, and elective cases.

For more information about the Residency Program please see the CASPR Directory Page.

- Clerkship Required

PROGRAM OVERVIEW:
The clerkship program through “Pinnacle Health Hospitals Podiatric Surgical Program” is open to applicants from our current affiliated Podiatric Medical Schools. The month long rotation strives to present a comprehensive picture of our three-year residency program for pre-doctoral podiatric extern students. It also acts to enhance the clinical educational exposure that is already in place.

For more information about the Residency Program please see the CASPR Directory Page.

PMSR and PMSR/RRA: St. Barnabas Hospital is a regional trauma center. It affords residents unparalleled experience with orthopedic injuries, diabetic foot infections, wound care and clinics. It offers unique experience with orthopedics where house-staff essentially act as orthopedic residents. Residents scrub total joint replacements, arthroscopy as well as poly-trauma injuries of long bones.

PROGRAM OVERVIEW:

Three hospital campuses and multiple clinic sites yield significant exposure to a wide variety of rearfoot and forefoot pathology. This is a fast-paced program focused on limb salvage and reconstruction with a need for patient-focused and team-oriented young physicians. Excellent mix of surgery, hands-on inpatient/outpatient care, and academics with the entire resident team. RRA approval pending.

PROGRAM OVERVIEW:
The podiatric residency program at University of Florida Health Jacksonville is a PMSR/RRA under the new model and is approved by the Council on Podiatric Medical Education.

UF Health Jacksonville is a 695-bed facility that houses both an advanced orthopaedic facility — UF Health Orthopaedic Surgery – Jacksonville — and the region’s Level I trauma center, both of which serve all of Northeast FL.

For more information about the Residency Program please see the CASPR Directory Page.

PROGRAM OVERVIEW: Program is based at Yale University Medical School's primary teaching hospital. Training is focused on comprehensive reconstructive surgery of the foot & ankle, with advanced surgical techniques (Charcot/Ex fix Frames/Plastics/Elective Recon/Trauma). Equally important, we teach the thought process leading up to procedures, significant inpatient medical care and post-op management.

For more information about the Residency Program please see the CASPR Directory Page.
