BARRY UNIVERSITY SCHOOL OF PODIATRIC MEDICINE
Dean: Dr. Albert V. Armstrong Jr., DPM, MS, BSRT

GENERAL INFORMATION

Barry University in Miami Shores, Florida, is one of the largest Catholic universities in the Southeast and was recognized as one of “America’s Top Colleges” by Forbes magazine in 2013 for the third consecutive year. Founded in 1940 by the Adrian Dominican Sisters, Barry University’s growth throughout the years has been shaped by their core values.

The School of Podiatric Medicine was founded in 1985 with the purpose of graduating competent podiatric physicians qualified to enter post-graduate training. This is accomplished by excellence in podiatric medical education, fostering life-long learning, expressing a commitment to social justice by serving the local and global community through patient care, and encouraging research and innovation that promotes the common good.

Our students are taught in small groups and have the opportunity to pursue dual degree options. In fact, several have graduated with MBAs through our Andreas School of Business. There are multiple volunteer options available to our students in the diverse South Florida Community and many opportunities to engage in research with faculty. In fact, many students have co-authored work in peer-reviewed journals. In addition, the Yucatan Crippled Children’s Project provides an opportunity for our students to help disadvantaged communities abroad.

At Barry University’s School of Podiatric Medicine, our clinical education experience is second to none. Students rotate through eight different hospitals and clinics throughout the Miami area. The latest technological innovations permeate the curriculum from the use of lecture capture technology and e-learning experiences in the first year to tracking student-patient interactions with “state of the art” technology in the clinics.

MISSION STATEMENT:
In the Catholic intellectual tradition, integration of study, reflection and action inform the intellectual life. Faithful to this tradition, a Barry education and university experience foster individual and communal transformation where learning leads to knowledge and truth, reflection leads to informed action, and a commitment to social justice leads to collaborative service.

TYPE OF INSTITUTION: PRIVATE CAMPUS SETTING: SUBURBAN
DATE FOUNDED: 1985 CAMPUS HOUSING: YES
TERM TYPE: SEMESTER ANNUAL CLASS SIZE: 67

PREPARATION

All students applying to Barry University School of Podiatric Medicine are required to complete at least 90 semester hours at a regionally accredited institution. All students are also required to take the MCAT.

BACCALAUREATE DEGREE PREFERRED: YES

ACCEPTABLE MINIMUM NUMBER OF SEMESTER HOURS: 90

ACCEPTS ADVANCED PLACEMENT (AP) CREDITS: YES

Foreign students, as well as foreign trained physicians are required to take the MCAT. Advanced standing is not available for foreign students.

FINANCIAL AID AND SCHOLARSHIP INFORMATION

A podiatric medical education is one of life’s biggest investments. Financial aid funding is available to help students pay their education-related expenses. Financial aid programs have enabled thousands of students to achieve their educational goals.

Barry University encourages students to use their own resources first to finance their education. When personal resources of the student are insufficient to meet the total cost of education, the Financial Aid Office makes every effort to supplement the student’s resources with available financial aid.

Barry University participates in the full array of federal and state financial aid programs available to graduate students. In addition to government-funded programs, there is also program-specific assistance, such as scholarships, assistantships, as well as tuition discounts. About 80% of our student body receives some form of financial aid. At Barry, we are committed to doing all we can to help you finance your education.
