## Offer Round Schedule

- **September 25<sup>th</sup>** - Offer Round One begins at **2 pm Eastern**.
- **September 27<sup>th</sup>** - Offer Round One ends at **2 pm Eastern**.
- **October 2<sup>nd</sup>** - Offer Round Two begins at **2 pm Eastern**.
- **October 4<sup>th</sup>** - Offer Round Two ends at **2 pm Eastern**.
- **October 10<sup>th</sup>** - Offer Round Three begins at **2 pm Eastern**.
- **October 12<sup>th</sup>** - Offer Round Three ends at **2 pm Eastern**.

**The deadline for final rankings for each round is 1:59 Eastern  
prior to the round starting**

- There are **17 month rotations available per student**, students only need to fill **an average of 6 month rotations**. Most programs will have unfilled months for each cycle.
- 2 years ago AACPM introduced designation limits for students. Students are now limited in the number of programs they may designate per month. The result has been a **50% decrease in the number of applications per month filled to 4 applications**.
- The acceptance rate has gone up over the last 2 year to **57% from 44%**. This means less declines of your offers. However, AACPM strives to provide an environment where students have choice in what programs they attend for their educational Clerkship experience. The rate of acceptance will likely remain about 1 decline for every 1 acceptance. **Declines are part of the process**.

## Welcome to Clerkship

Welcome to www.dpmclerkships.org, the online clerkship application and offer system. This site allows you to fill out the program information, view applications and accept offers for clerks.

For information about clerkships, please visit www.casprcrip.org and select "Uniform Clerkship Program" from the Clerkship drop-down menu. The Clerkship Handbook, listing available clerkship programs, can be found here.

**INFORMATION**

Any offers made now deliver immediately. While offers do not expire, they can be changed by the program at any time.

**Offering a Position.** Click on the "Offer" box and then click the "Save Changes" button at the bottom. You can only make offers for the number of positions you have for that month. The applicant will be declined for any other months they requested. Once you have offered a student a position they have the opportunity to accept or decline. Once a month has been accepted by the student, the Offer check will turn green and the status says "Confirmed". To retract a position simply uncheck the "Offer" box and click the "Save Changes" button at the bottom.

**Declining a Position.** You can manually decline a student for a particular month by checking the decline box and saving your changes. Also, when you offer a student a month, all other months are automatically declined.

**Changing a Decline.** If you previously declined a student and would now like to offer them a position, first unclick the decline box and save the changes, then click the offer box and save again. You may need to uncheck all of the months that a student is listed for to clear the declined status.
