**Arizona School of Podiatric Medicine at Northwestern University Podiatric Medicine Immersion Program Summer 2019**

AZPOD offers a two-day immersion program on the Glendale, AZ campus each summer. Application deadline and program details can be found at [https://www.midwestern.edu/programs\\_and\\_admission/az\\_podiatric\\_medicine.html](https://www.midwestern.edu/programs_and_admission/az_podiatric_medicine.html)

**California School of Podiatric Medicine's Podiatry Experience: Summer Enrichment Workshop July 24-26, 2019 (Application deadline is typically in May)**

The CSPM is proud to sponsor a three-day podiatry workshop that provides participants with an opportunity to explore the profession of Podiatric Medicine and Surgery. During the Podiatry Experience workshop, students will have a hands-on clinical day learning how to cast and suture, and sports medicine taping techniques. Additionally, they have an invaluable learning experience and opportunity to explore the profession of Podiatry, shadow faculty and students in a variety of clinical settings, and participate in organized lectures covering the correlation between podiatric medicine and basic sciences. Students are also offered a MCAT workshop, learn about the CSPM Admission process, Financial Aid, and Scholarships.

Questions regarding the "CSPM Podiatry Experience: Summer Enrichment Workshop," should be directed to the California School of Podiatric Medicine by calling 510-869-6789. A sample Workshop Itinerary can be found here: <http://samuelmerritt.edu/cspmexperience>.

**Des Moines University's Health Professions Advanced Summer Scholars Program (Health P.A.S.S.)**  
**June 8-28, 2019** (Application deadline is February 15, 2019)

Des Moines University's Health P.A.S.S. program is a great way for students to prepare for and enhance their application for medical or health professions school. The three-week experience gives participants the opportunity to shadow podiatric physicians; gain hands-on experience in suturing, casting, and surgery skills; prep for the MCAT; participate in mock interviews and application preparation activities with admissions mentors; and earn a certificate and conduct research based on a cultural competency course.

Enrollment is limited to 10 students, and preference is given to applicants in any of the following categories: economically disadvantaged, educationally disadvantaged, under-represented minority. DMU covers the cost of residence hall accommodations at nearby Drake University, as well as light breakfasts and lunches while on campus. A travel reimbursement of up to \$500 will be provided upon completion of the program.
