

Student Recruitment: Blueprint for Getting Involved

- Become a Mentor or a Speaker in the DPM Mentors Network.
 - Register as a Mentor, Speaker or both at <https://www.dpmnetwork.org/membership/become-a-mentor/>
 - Be a Mentor - Offer high school and undergraduate students an opportunity to shadow you in your office.
 - Be a Speaker – Introduce your community to careers in podiatric medicine and share how you discovered podiatric medicine.
 - Customize Your Profile – You set up your Availability Calendar and your FAQs page.
 - Request Career Materials for your office or speaking event from the AACPM.
- Display Career Materials in your office, on your website.
 - Create a “Career” link from your office website to the AACPM’s [Becoming a Podiatric Physician](#) page.
 - Post one or more of our [digital career posters](#) on your website.
 - Stock your office with career promotion materials.
 - Request Career Materials for your office from the AACPM.
- Volunteer!
 - Contact your local **High School** and offer to speak to a Biology Class, any Advanced Placement (AP) Science Class or Career/13th Year Class.
 - Contact your local **Community College** and offer to speak to an Introductory Biology Class or a Career Exploration Class.
 - Contact your local **College/University** and offer to speak to an Introductory Biology Class, Healthcare Career Class or the Pre-Health Club.
 - Contact your undergraduate **alma mater** and offer to speak to the Pre-Health Club.
 - Help with a student recruitment event at your state or regional meeting.
 - Take pictures of yourself at events and post on your social media with #IChosePodiatry.
 - Request Career Materials for your speaking event from the AACPM.
- Ask for resources.
 - Contact the AACPM Office of Career Promotion for Resources. We supply DPMs with Office Packs, Event Packs or Career Fair Packs upon request.
 - Download the latest customizable [Career PowerPoint](#) for College Presentations.
 - Please call for the High School PowerPoint.
